
REPORT: ALAN & SYLVIA FOX

APRIL 30TH, 2009

Dear brethren,

Sylvia and I are generally in good health, God be thanked for his abundant mercies and blessings.

We had a good election, with peace and respect among people in most places in our country. I am not sure what the future holds in South Africa with the new administration but one thing I know is that Jesus is still on the right hand of God Almighty exercising control in the kingdoms of men. Daniel 5:29b

The saints at Brixton Johannesburg congregation send greetings.

MEETINGS PLANNED:

I am planning a meeting for some of the smaller congregations who could not make it to our meeting held on Saturday February 21~22 presented by Paul Williams. This will cover the material which Brother Ken Craig has in his book called the Big Picture. We are hoping to have it at our church building on a Saturday afternoon (possibly the second week of March).

The EShowe congregation where Paul Williams preaches invited Trevor and I to present a week-end meeting on "Marriage" This meeting is planned for June 26th through 28th, 2009.

The gospel meeting I was planning for two congregations in Soweto has been put on the back burner because I found out that one of the congregations has a man who is prominent in the church and yet is living in adultery. I informed one of the brothers that I would only consider continuing with the plans once they've sorted out that problem.

CLASSES CONDUCTED:

The class we had with the members of the church of Jesus Christ ended rather abruptly when their woman leader decided that they did not want to continue with it any more. Her main contention was that women are allowed to preach because Jesus did not condemn Jezebel of the church in Thyatira for preaching but only for teaching and seducing the members of that congregation to commit sexual immorality and eat things sacrificed to idols. As long as she did not do that, she was allowed to preach. God even sent Satan to minister to the saints, she said, because he is an angel and God sends out angels to minister to the saints. Hebrews 1:7, 14 So therefore women may teach and preach over men (she did not quite understand it when I pointed out to her that her only two cases of authority she cited for women being preachers was of the two most wicked beings mentioned in the Bible!)

UPCOMING PLANS 2009:

On September 1st this year Sylvia and I plan to visit churches and individuals in the United States who have been supporting us in the work of the Lord here in Johannesburg.

I have attached an updated itinerary herewith. Please look at the itinerary and if you have not yet confirmed the slots we have discussed, kindly let me have confirmation at your earliest. I have a number of slots still open (the confirmed ones are highlighted in yellow) and if you know of any congregation that would be able to invite me to preach and or talk about the work of the Lord in Johannesburg South Africa, please let me know.

Brethren, thank you for your continued financial support you are sending to us. We beg you to continue in prayer on our behalf as you have so faithfully done up to now

Please give our love and greetings to the church of the living God with whom you meet.

Your servants in Christ

Alan & Sylvia Fox
