

REPORT: ALAN & SYLVIA FOX

August 3rd, 2009

Dear brethren,

We had a spell of black frost which did immense damage to our plants and the grass in our garden but did not dampen our spirits to recreate a lovely garden. The birds are still here and we are still enjoying the cold and remembering that there is only one more "cold" month left then the beginning of Spring.

A number of years ago I injured my back and seemed to have recovered from the injury. The other day I over-reached and the old injury returned. I could hardly move for a couple of days and even had to sit while presenting our midweek class. But by the grace of God I have recovered somewhat and only have pain in my lower back and left side. Sylvia is enjoying a good measure of health at the moment.

Up coming meeting:

Sylvia and I only have 4 weeks before we are planning to leave on our three month trip to visit with individual brethren and churches in the US who support us in the work of the Lord in Johannesburg. We have a meeting planned before we leave - with the Rustenburg congregation which is approximately 2 hours drive northwest of Johannesburg where Brother Norman Saayman is now the fulltime preacher. The meeting is planned for Wednesday August 26th to Sunday 30th and the theme of the meeting will be on establishing authority from the Scriptures. More about this meeting and the saints in Rustenburg in my next report Lord willing.

Web site development:

Brother Ashley Goosen sent me the electronic version of the Know-Your-Bible correspondence course which we now loaded on our website. Ashley is also re-doing the Afrikaans version of the course and we have loaded the first lesson of the Afrikaans version on the site. We would like to invite all to visit our site at: www.brixtonchurchofchrist.co.za and I would appreciate any feedback you may have which would help us to improve the site.

Speaking of the internet, Adam Kendall-Ball sent me an e-mail in which a brother from another congregation had been corresponding with a young lady in South Africa who wanted to know more about salvation and baptism. Adam asked me to contact her (Christa Bornman) which Sylvia and I did and now we have a regular class session scheduled with her on a Wednesday afternoons. Christa and her boyfriend attended services with us at Brixton on Sunday morning.
