

REPORT: ALAN & SYLVIA FOX

February 28th, 2010

Dear brethren,

Greetings to you from the Lord's household in Johannesburg. Sylvia and I are enjoying good health and we hope and pray the same is true of you.

Engagements:

ORLANDO (SOWETO) CONGREGATION:

Trevor had regular studies with a young man by the name of Mishack Mofolo. I met him for the first time when he came to our studies in Kwa-Thema and he immediately impressed me with his sincere questions and comments. Mishack is 24 years old and also a resident of Soweto (the largest Black township in South Africa). Trevor called me on Wednesday February 17th to tell me that Mishack was eager to be part of the church established by Jesus Christ. They came to our house and Trevor baptised Mishack for the forgiveness of his sins in our pool. Mishack as the apostle Peter commands desires eagerly the sincere milk of the Word that he may grow thereby. He is a source of renewed fervour to everyone.

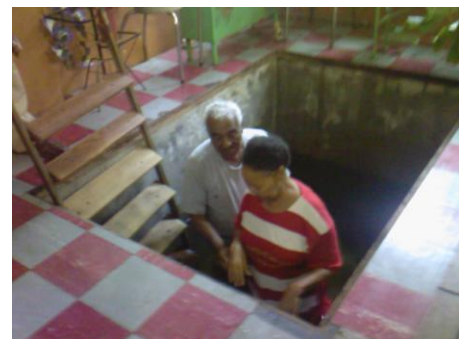

BRAKPAN CONGREGATION:

The study of the prophet Hosea is progressing well and the class participation is excellent. We are really enjoying the challenges set forth in this book of one of the Minor Prophets pertaining to life's challenges. An inspiring thought of the fourth chapter is verse six: "My people are destroyed for a lack of knowledge" and then again in chapter six and verse three: "Let us know, Let us pursue the knowledge of the Lord..." with the resultant blessing emanating from it: "...He will come to us like rain, Like the latter and the former rain to the earth" What refreshing thoughts! A renewal from the Lord...Acts 3:19

KWA-THEMA SPRINGS CONGREGATION:

Joel Soza Khoza was one of the inmates in the Prison east of Pretoria where I presented lessons. He was among six other inmates I baptised. Joel is now out of prison and we have been having regular studies at his home. He invited his neighbour and Trevor has been conducting that class while we were in the States. Joyce Kodisang is in her seventies and on Thursday February 25th Joyce obeyed the Lord by being immersed for the remission of her sins. We took her to the Nigel congregation who is approximately a half an hour's drive from where she lives and the preacher Hendrik Morris baptised her into Christ. There were a number of the members of the Nigel congregation present and our songs and prayers expressed our great joy that another soul has been added to the Kingdom of Christ.

OTHER EVENTS:

One of the last preachers for the month of February to trek through Johannesburg on his way to various other congregations is Hendrik Joubert.

Sylvia and I met Hendrik and his wife Suzette in Johannesburg back in 1977 when we became Christians and have stayed close friends all the time. Hendrik and his family moved to the States a number of years ago and are now American citizens but we still keep in constant contact and normally start off our three month tour of churches in the States from Mebane NC where he now preaches.

Norman Saayman has just undergone surgery to his heart and is recovering in hospital in Pretoria at the moment. Norman and Emmie are dear friends of Sylvia and I and our prayers are with him and Emmie. Norman and Emmie labour with the Rustenburg congregation northwest of Johannesburg.

Please consider / remember my appeal for lost financial support

Thank you for your continued support both in your prayers and financially
