

# REPORT: ALAN & SYLVIA FOX

January 31<sup>st</sup>, 2010

**D**ear brethren,

Greetings to you from the Lord's household in Johannesburg. Sylvia and I are enjoying good health and we hope and pray the same is true of you.

**E**ngagements:

## **BRIXTON CONGREGATION:**

This first month of the year has been "business as usual" and we have seen a marked increase in the number of members who now show that they are serious about the faith, attending services regularly, arriving on time for Bible studies, inviting friends and family, it certainly is encouraging.

A number of young men who have been keeping the wheels turning while we were in the States have just continued doing the excellent job they were doing and the young ladies are now relieving the older women in teaching the toddlers and young children.

We are planning a Gospel meeting for the end of March and will be inviting a number of local preachers to present lessons.

## **BRAKPAN CONGREGATION:**

Sylvia and I have now started attending the midweek studies at Brakpan congregation and the men have asked me to present lessons on the Minor Prophets. We kicked off with Hosea and will follow the order as they are presented in the Scriptures yet noting their chronological order.

This is a congregation made up of mature Christians and the challenge is very much like to the one at Brixton in that one has to prepare in depth – the brethren will not let you get away with shallow teaching, they are well versed in the Scriptures. It is a pleasure to teach at such a congregation.

## **KWA-THEMA SPRINGS CONGREGATION:**

I have not yet had the time to visit with this congregation as the work at Brixton and Brakpan has been keeping me rather busy, but I intend to arrange a Gospel meeting for them within six months and help with whatever they needed done. I believe that at the moment their greatest need is to have some tract distribution done in the neighbourhood. Our midweek studies with one of their members are progressing well.

We have had the privilege of a number of preachers coming through Johannesburg and either staying with us for the night or longer on route to other areas

Paul Williams from eShowe congregation past through to various meetings in three different provinces and a young preacher (Arao) from Mozambique one of our neighbouring countries stopped over on route to a preaching training program presented by Dave Beckley in Limpopo province.

Eric Hamilton the young preacher from Wichita Kansas is now on his fourth leg of his tour to the various provinces of our Country (Gauteng, Limpopo, Mpumalanga and Kwa-Zulu Natal) and will return to be with us on Sunday before leaving for the States on Monday February 8<sup>th</sup>, 2010

I have been informed by another congregation that as of March 2010 they would not be able to continue with the \$150.00 support which they have been sending me. Brethren if there is anyone capable of helping me out in this regard I will highly appreciate it.

Thank you for your continued support both in your prayers and financially

Greetings to the church of God in your locality

Your servants in Christ
