November 2008, Report

I am sorry for submitting this November report this very late. I've had a very busy and disturbing December which has affected formation of this report. I hope it will find all the brethren in perfect health.

I once again want to thank all the brethren for all the support towards the Lord's work in Uganda. The hardships here have continued to pinch but we've purposed in our hearts to hold together in the bond of love as it is written, 'Let brotherly love continue'(Heb 13:1).

We wish to congratulate the brethren and the nation the US for the successful voting process. In Africa we need a lot more prayers for successful voting than its done for USA. As the word of God says in **1Ti 2:1-2**, 'I exhort therefore, that, first of all, supplications, prayers, intercessions, *and* giving of thanks, be made for all men; For kings, and *for* all that are in authority; that we may lead a quiet and peaceable life in all godliness and honesty. We will continue praying for USA because a lot has been said of recession in USA. Some things are too hard for man, we live them to God who said, 'Is anything too hard for the Lord,' Gen 18:14.

As we entered dry spell, cholera attcks began to die down slowly. But inflation in the month of November short uo to 15%. Food prices have continued to rise due to high food demand in all the neighboring countries in the region.

Please continue praying for us as we labor for the expansion of the Lord's kingdom this end.

Evangelism and Baptism.

I studied with one young man who has shown very high interest in receiving Jesus Christ in his life.

In the mrantime, the new converts, Mr. Masaba, Cornelius and Mr Okongo, are doing very well. I continue to encourage them that are weak in things of the Lord and sometime visit them in their homes.

Lakeside Church,

The Lord has continued to prosper Lakeside church. Love among the saints continues to grow. I encouraged the congregation to love one another by works as well.

During the month, I drew a clear line in scriptures between loving God and loving the world, **1 John 2:15-17** (though we live in the world). I specifically emphasised that loving God can be seen by how much one seeks the Kingdom of God and HIS righteousness (**Matt 6:33**). What we seek/run after/fix our eyes on will tell us what we love.

Kampala Church

The Lord has also continued to prosper the work in Kampala. Though we approach a period of holidays, the saints have remained faithful. I also taught some more lessons on loving one another (**Heb 13:1**).

I took time to study **Romans 13:8-10**, (Owe no man anything, but to love one another: for he that loves another has fulfilled the law. For this, Thou shall not commit adultery, Thou shall not kill, Thou shall not steal, Thou shall not bear false witness, Thou shall not covet; and if *there be* any other commandment, it is briefly comprehended in this saying, namely, Thou shall love thy neighbor as thyself. Love works no ill to his neighbor: therefore love *is* the fulfilling of the law).

We studied self love comes before we love anything/anybody else the Lord has made. We therefore agreed that we **MUST** love ourselves first. We realised that some people do not love themselves, so will not love another person. We all got edified.

Tororo Church

I visited Tororo as always. Indeed Brother John is almost not going to be with us anymore, but one decent brother, Fred, is doing a lot of work in Tororo. I encouraged the saints with **Proverbs 2:2** (the rich and the poor have this in common. The Lord is the maker of them all), that the Lord is their God in their hardships.

Rosemary went as well to encourage the women and children. She is also encouraging women in Tororo.

Rosemary's contribution,

I would like to inform the brethren that Rosemary, a dear sister in the Lord has remained very faithful and committed to the Lord's work among women and

children. Please continue praying for Rosmeary and her children. She continues to be very helpful to the Lord's work in Uganda.

End of year holidays

We are glad our children are back home from schools for end of year holidays. Their return means extra work to do. We hope the Lord who has been faithful to us will help us with children and the work of ministry until they go back to schools in February next year.

Keith Sharp's Visit

We are expecting another good time when brother Keith visits Uganda in 2nd week of February next year. Please pray for Keith and us.
