

ROYCE'S REPORT: JANUARY - MARCH, 2010

3 ½ WEEKS IN COLOMBIA, JAN 7-30: Wayne Galloway and I visited churches in Cali, Pasto, and Bogotá. In each, I preached a series on either *Let's meet the Prophets* or *Raising children to love & serve God*. There were 6 baptisms during the trip: 1 in Cali, 3 in Pasto, and 2 in Bogotá.

In general, the work continues to prosper and spread. The limitations to how far and how fast come greatly from the fact that there are far more opportunities than there are brothers who have financial support--&, therefore, the time free from secular work--to pursue them.

An excellent brother in Bogotá and another in Cali are dreaming of being able to give full time to the work but can't just quit their jobs and put their families in immediate jeopardy.

Jairo Insuasty (Bogotá) and Carlos Ramirez (Cali) are outstanding Bible students, mature & experienced men, and highly capable teachers. I will attach letters from each of them for your consideration. If you can help one or both, please contact me. I will be happy to give you information about how that can most easily & effectively be done. The awaiting harvest is huge; there are workers eagerly willing; they just need help in being able to go get it done.

RETURNED TO BOGOTÁ MARCH 1-8. We returned to Bogotá to help some brothers with a personal, special need for attention & assistance. To those of you who understand what that was about and who enabled us to go, our sincerest and most profound thanks.

PLANS FOR THE SUMMER. Lord willing, Hope and I would like to go with Luke to the archaeological dig in the Valley of Elah, one of the most Biblically significant excavations currently going on. I was there last summer; the experience was so enriching that I want Hope to share in it, if possible. Following 2 weeks at the dig, I hope to do some preaching in Spain, taking advantage of already being on that side of the Atlantic. We'll see what answers our prayers bring, but that's what we would like to do.

My lost support still lost. As of last October we lost \$600 per month. A generous couple is providing it temporarily but asked me to replace it as soon as possible. I have taken advantage of their generosity for several months & would love to relieve them of that. So if you can help, please ... let me know.

Please read the attached requests from Jairo Insuasty and Carlos Ramirez.

Thank you, brethren, for enabling Hope and me to continue in this great, ever-expanding work; we ask for your continuing prayers that the Lord will increase our abilities and opportunities to serve Him well.
