

# LAS TORRES CHURCH OF CHRIST

March 2006

Dear Family: Here is the latest picture of the meeting house Las Torres church of Christ. The walls and roof are completed and it has a temporary door and windows. No floor (dirt), no electricity or water...but they are thankful to be in a building and off the street. The brethren at Las Torres and I "Thank You" for your help in making this possible. The men and women have worked hard the past several weeks to make this happen. They met for their first service this past Sunday.
