

Re:Report April 2010

I greet you all brethren in the name of Lord of Jesus Christ. I hope and pray you are all doing well with your families.

Sorry for writing to you late. Work has been great for the past month I was busy with preacher classes in Tsholotsho this time.

We worked hard throughout the day and night teaching and preaching the gospel with committed man of God who were willing to learn and understand the word of God.

As I had said in the last report that they will be a preacher's meeting for all Tsholotsho preachers at Magabelana during the Easter holiday. I ended up dividing the meeting into two, first was in Magabelana for 2 days, second was at Dibutibu in Sipepa area about 70km from Tsholotsho centre for 3 days.

Friday 2 April 2010

Travelled to Tsholotsho for the 2 days preacher's meeting at Magabelana Church we assemble at the church building at 12.30pm. Started classes at 1.30pm after lunch everyone was very happy to be part of the class with 20 preachers.

I taught a lesson about **The Good Shepherd** until 3pm, we took a break for 20mins and continued until 5pm with discussions and questions coming from different angles with everyone taking part. Started second session at 7pm taught about **The Preacher's Life** until 11pm this a good lesson for every preacher.

The next hour we gave to 4 preachers with 15mins each to preach a sermon or their choice until mid-night.

Saturday 3 April 2010

Started class at 9am taught a lesson on **The Body of Christ** until 12pm, we came together soon after lunch I continued teaching until 4.30pm this time was a lesson about **The Apostle Paul's Life**. After the classes at around 6pm I took the preachers back to their places so they can attend services on the Lord's Day. This was our last day at Magabelana.

Sunday 11 April 2010

On this day I travelled with Brewer to Mthsina where the San Christians are, we delivered 300 blankets to the need Christians and they were more than happy to receive them.

We break bread together preached on **How Parents should take Care of their Children**. We returned to Bulawayo after service.

We thank you all brethren who helped with funds to bring smiles on the faces of these need Christians May the Good Lord be with you.

Friday 24 April 2010

Travelled to Dibutibu Mlagisa area the western part of Tsholotsho for a preacher's meeting .

Preachers from 8 congregations attended the meeting with a total 30 preachers in attendance.

I arrived at the meeting place at around 3pm this time we stayed at Dibutibu School they offered us a classroom to sleep and one for studies.

After 30mins we slaughtered a goat as it was our relish during our 3 days of studies, afterwards we started classes at 5.30pm, we came together singing hymns of praise.

I taught a lesson on **Work of the Holy Spirit** 6.30pm we took a supper break for an hour and returned for questions until 9pm. soon after we went to bed.

Saturday 25 April 2010

Lessons started at 10am and my first lesson on this day was about **Love among Preachers** this was for 2 hours before we went for lunch.

I am really enjoying working with such good man of God. After lunch it was work time, everyone was ready to learn, this was around 1:30pm I taught on **Preacher's life**. We spent most of our time on this one as everyone was taking part until 5pm for our supper break.

At 7pm we continued with our studies until 12am the lesson was about **The Apostle Paul's life**, after the lesson 10 preachers were given 10mins each to preach. We enjoyed this moment as we heard Different sermons.

Sunday 25 April 2010

The Lord's day about 195 Christians attended service at 10am we had a bible study first on **Repentance**, no soul responded to gospel .

After service we continued with our preachers meeting from 1:30pm we worked on Paul's **letters to Timothy and Titus** this was really a good lesson finished at 5:30pm.

I continued to teach after supper a lesson about the **Body of Christ** until 8pm from that time we had some general knowledge questions from the bible until 10pm testing each other's memory.

Monday 26 April 2010

We woke up early getting ready for our last study at 8am as I was to leave at around 12pm the study was on **Self Control**, we also talked a lot about the problems we face at our local congregations as preachers and on how we should solve them.

It has been a great pleasure working with such good men of God who understands what they want in life man with one mind.

I hope and pray that I will be able to make such meetings as often as I can because they are of big help to preachers in the bush areas of Tsholotsho.

Yours in Christ
