

REPORT: ALAN & SYLVIA FOX

September 1st, 2009

Dear brethren,

Proverbially "spring has sprung" in this part of the world and what a wonderful day it was today! Winter is officially past, but that does not mean that we will not still have some cold days but for the greater part of the year we are looking forward to a great summer.

I thought I had contracted swine flu but it was just a bad dose of ordinary flu. I have recovered somewhat with only some headaches from time to time. Sylvia is a great nurse and I am thankful that she did not also contract the flu; her immune system is very good. We hope and pray that you are in good health as well.

Meeting held

It was a great pleasure to meet with the saints in Rustenburg. The brethren were kind in their comments of the Gospel Meeting saying that much good had been done in my teaching and preaching. I was surprised at the size of the town and the infrastructure but most importantly the possibilities for the spread of the Gospel in this area. The congregation is composed of some 30 members and approximately half of those attended the meeting until Saturday and 25 on Sunday morning August 30th. Norman Saayman who now preaches on a fulltime basis at this congregation has a history with the area. His parents lived in Rustenburg and his father preached for this congregation while they lived there. Norman's

father Frank Saayman did a good job of keeping the brethren on the straight and narrow but after he left some "liberal influences" crept into the church. It seems as though they then had close ties with the institutional brethren and had in fact invited a preacher who comes from an institutional church not so long ago. Norman is doing an excellent job now teaching them the differences and problems of the institutional churches. I was delighted that my subject matter was on establishing authority from the word of God and made sure that I made it abundantly clear what constitutes acceptable worship with God and how to establish what that means. I preached lessons on the work done by Ken Craig in his book called "The big Picture" I gave Norman a printed copy as well as the material in electronic form, he will make copies for the members and reinforce the lessons contained therein. It would seem as though they received the lessons with good hearts and I might have a standing invitation to visit and preach to them at least twice a year. Please keep our brother Norman in your prayers as he continues to stand for the truth of the Gospel in Rustenburg

One added to the Kingdom

Christa Bomman understood what the Scriptures say concerning salvation and that she had not obeyed the pattern set forth in the New Testament to be saved. Christa is a keen student of the Scriptures as well as her vocation as a student-teacher at a Primary School. It is a pleasure to study with such a dedicated person and she quickly made the decision to be baptised for the remission of her sins after our second study session. She has been studying through the internet with a brother in Atlanta and that enabled her to make some excellent application of the things we discussed. I asked our son PJ to baptise Christa in our pool at home on Saturday August 8th, 2009. We all at Brixton congregation rejoice with Christa as a babe in Christ and have committed to helping her as much as we possibly can in her growth as a Christian.
