

REPORT: ALAN & SYLVIA FOX

December 31st, 2010

Dear brethren,

There is an area in South Africa that was particularly affected with a scarcity of rain and the people had to be rationed and given only 5 litres of water per family per day. That would have been only enough for most families to drink during the day what about the other things for which we need water? Our gracious Father in heaven heeded our pleas and a few weeks ago quite a bit of rain fell on that area. We are so thankful that we serve a kind and loving Father who cares about His children.

Sylvia and I are back in the thick of things and enjoying every minute being part of the work at the congregation at Brixton and other areas. We pray for God's blessings of health and opportunities for service for you in His Kingdom.

Our financial situation is not in the best of conditions because of the Rand strengthening so dramatically against the USD and the fact that we have been informed that from January 2011 we will be losing \$200.00 per month in financial support.

If there are any of you who could make up this shortfall, we would really appreciate the help.

Engagements:

BRAKPAN CONGREGATION:

Sylvia and I continue to visit the saints in this congregation albeit only once months at the moment to preach at their evening service as my midweek studies have come to a close. We hope that the brethren will want to resume the study of the Minor Prophets in the beginning of the New Year.

KWA-THEMA SPRINGS CONGREGATION:

I spent one Sunday preaching at Kwa Thema regarding faithfully assembling with the saints whenever they meet. Since we've returned I have had the opportunity to present several classes with the men studying the book of 1 Corinthians and because of the holidays our classes also included some children and their parents, so that I had to adapt the degree of difficulty so that they could keep up with the studies.

BRIXTON CONGREGATION:

It was good to have had the opportunity to take a few weeks vacation and spend some time relaxing and refreshing ourselves.

When we returned I immediately took over the Sunday morning and Wednesday evening classes at Brixton and it was good to be back with the saints at Brixton. I plan to start with a new teaching program in the New Year on both Sundays and Wednesdays and for now we are just handling some of the other challenging studies we have not had a chance to do in the past.

OTHER EVENTS:

Brethren, our gratitude for your faithful financial support throughout this past year as well as the many previous years can hardly be expressed in words. Without your support we would not have been able to accomplish the work in the Lord's vineyard as we have done.

Our prayer is that our gracious Heavenly Father will grant you many opportunities to spread the Good News of His Son Jesus Christ, to grow in grace and knowledge of our Lord and to wait faithfully for His promised return on that great Day.

Greetings to the assembly of the saints where you live and with whom you work

Your servants in Christ
