

REPORT: ALAN & SYLVIA FOX

January 31st, 2012

Dear brethren,

The end of the first month is upon us and already it seems as though the year is speeding away. The new year started with challenges and blessings and we are so thankful that we have the privilege of calling upon our gracious heavenly Father in times of need because we have the assurance that He hears us (Hebrews 4:16) We are enjoying the summer temperatures in Johannesburg with regular rains during the day and sometimes even during the night-time. Sylvia was not too well for a couple of days but has now by the grace of God, bounced back to her full health. We continue to pray for your health and especially remember the many saints who are suffering from all kinds of ailments. *Please note that Sylvia and I are working on our next trip to the US in the beginning of July this year and I will send out a possible itinerary during next month.*

Engagements:

BRAKPAN CONGREGATION:

I now visit and preach here once a month on a Sunday evening. My next appointment is February 5th, 2012, for their evening service. We are continuing with our study of the Holy Spirit on a Tuesday evening and the interest in the class seems to be high. The holiday season is now over and our numbers are back to what it was before.

KWA-THEMA SPRINGS CONGREGATION:

We reverted to our original agreement of meeting on a Saturday afternoon because the schools have resumed. Our present study continues with the book of 2 Corinthians and we seem to be getting a lot of meat out of the present study. Brother Ephraim Radebe is the old preacher who works with the congregation and he is experiencing poor health at the moment. He says the hospital just told him that it was his kidneys that had a problem but did not give him any medication. Please remember him in your prayers.

BRIXTON CONGREGATION:

Eugene Chetty is continuing with his class on a Sunday morning with "The Abundant Life" but was away for the last two weeks and I stepped in to continue with a class on the elementary principles of our faith. Towards the end of 2007 we had to withdraw from one of our members because she forsook the assemblies of the saints but Chereen was restored to our fellowship because of the untiring attempts of her brother Simon and his wife Fransina to bring her back to her senses and to the congregation of the Lord's people. We are so thankful to God that she repented of her former ways and is now continuing faithfully with all the saints in our worship of God.
