

# REPORT: ALAN & SYLVIA FOX

September 30<sup>th</sup>, 2011

**D**ear brethren,

Spring is well and truly with us and nature has a way of letting you know it arrived. The trees and the plants bear testimony to the presence of the precursor to summer. We have just had our first spring rains and now things are rushing to full maturity because of the coming of summer. If we translate this into a spiritual application then Romans 13:11 "...for now our salvation is nearer than when we first believed" would be quite appropriate.

Sylvia and I are well and blessed; our prayer is that the same is true with you and your loved ones.

**E**ngagements:

## **BRAKPAN CONGREGATION:**

I now visit and preach here once a month on a Sunday evening. My next appointment is October 2<sup>nd</sup> for their evening service. Our midweek studies on the subject of the Holy Spirit are progressing well with good interest in the class and solid participation from everyone present. This is by no means an easy subject but once a solid foundation has been laid that which follows is then easier to grasp

## **KWA-THEMA SPRINGS CONGREGATION:**

We have not been able to make great progress with our Saturday afternoon studies as there always seem to be something interfering with our plans. A couple of funerals and one or two of the participants becoming ill and you lose a month's work that could have been done. Hopefully we will resume with our studies on the book of 2 Corinthians soon.

## **BRIXTON CONGREGATION:**

We are now focussing on a variety of subjects, most of which I hope will illustrate how to establish authority from the word of God in a practical way.
