

DECEMBER 2008 REPORT

January 17, 2009

Dear Brethren and Sisters in Christ,
Mercy, peace and love be multiplied to you.

MY FAMILY -

My family is fine. Dasha continues going to school and studying the Bible with me.
Natasha helps me as usual in my work.

WEATHER -

The weather in December was different. In the beginning the temperature was unusually high as it was last year. We got used to such warm weather in December, but at the end of the month the snow fell at last. We like snow very much because we can skate and ski.

I am happy to inform you that one more precious soul was added to the body of Christ. My daughter obeyed the Gospel. She was baptized on the 14th of December. Dasha had been waiting for that about two years and now her dream has come true and she became a Christian. It was the happiest day for our family.

In December I taught "The Lord's Supper." The Apostles taught people what was instituted by Christ. The Primary purpose of the assembly of the Church on the first day of the week "to break bread." The Bible teaches us about the duty of constant attendance and obedience to the request of Christ made in the very shadow of the cross.

Thank you for all your kindness and love and prayers.

In His Name,
Dasha, Natasha and Alex.
