

# **FEBRUARY 2006 REPORT**

February 2006

Beloved brethren in the faith of our Lord Jesus Christ, I greet you, along with my wife. Our desires are that you are enjoying perfect health. I am writing to inform you of the Lord's work here in this country, especially in the congregations where I work.

Here in San Cristobal we have been blessed in the beginning of the year with two souls that have obeyed the Lord. On the 5th of Feb. Brother Pedro Velazco, 49 years old, obeyed, then on the 12th Brother Baldomero Duarte, 52 years old was baptized. Both of them understand the doctrine well. Brother Pedro has a lovely family and we continue to study with them. Brother Baldomero is a widower; he is very excited about the studies. We ask your prayers for them.

We continue with the studies in homes. We meet together on Thursdays at the meeting place and have different studies. Sundays we have a Bible study in the book of Acts.

The work in Barinas is also coming along well. Brother Jose Diaz, who preaches for the church in Cagua, Aragua state, informed that there were 2 baptisms there.

We thank God and you for your valuable participation in this work. May God bless you richly.

Yours in Christ,

Agribelto Estevez
