

REPORT FROM LUIS A BARROS

November 2006

My beloved brethren, I always remember you in prayers giving my thanks to the Lord by each one of you.

About Evangelism (Mark 16:15-16):

Thanks to the Lord, I have an announcement in a local newspaper and I have been receiving several calls of people asking of our Bible course. Now I am visiting 5 contacts. I pray and hope these persons decide to have a personal study with me. Let me tell you that the %90 of the contacts are members of a protestant church.

In this month, before the Gospel meeting I was knocking door, preaching the Gospel house by house, also I was giving an invitation to the people in their houses for the Gospel meeting.

Also I have been studying the Gospel with two young men. They are sons of our brother Harold Vivero. Their names are: Eric (14) and Kevin (12). I know that I will need much time with them studying the Bible but I pray and hope they obey the Gospel.

About Edification (Matthew 28:20):

In order to obey this command, I have been studying the Bible with several brothers in their houses teaching the Sound Doctrine. Also I have been studying the Bible with the new Christians. Every Wednesday I have been teaching in the assembly about Acts 1 and 2, also I preach every Sunday in the assembly teaching several topics of the Bible.

Also we had our Gospel meeting with brother Nestor Sanchez from Chile, Arica in Maracay. We had a very good attendance during 4 days. Also we went to visit others 3 local churches. We went to: Cagua, Valencia and Carmelitas (Caracas) church of Christ. We had a very good time with the brethren and they were encourage to be faithful to the Lord.

About my work in others cities (Acts 15:41):

Lord willing, I will go to Puerto Ordaz to be with the church and preach the Word of GOD by 4 days in a Gospel Meeting. I will be there for 14 until 17 of November. Also I want to let you know that my brother Jose Barros who preaches in Puerto Ordaz told me that 2 weeks ago, 6 persons were baptized for the remissions of their sins according to Acts 2:38. 5 women and 1 man. They were studying the Bible with them for several months. We give thanks to the Lord for these saved souls.

My beloved brethren I want to tell you my thanks to you for your love, support and sincere concern to us. I always remember you in my prayers giving thanks to the Lord by each one of you.

We love you with the love of Christ,

Luis and Susana Barros
