

# Report for February 2009

March 10, 2009

May God fill you with blessings for your effort to help the church in Puerto Rico.

During the month I prepared a summary of 1st Thessalonians as well as other sources of further study for Elizabeth Hernandez.

Wed. the 4th the Bible study was on the Final Judgment, with 8 present. I am now doing almost everything on Sundays—preaching, leading singing, serving the Lord's Supper, etc.

Brother Oscar Colon asked me to help in his move from Dorado to Juncos, which I did on two Saturdays.

We met as a church in Juncos the first time on Sunday the 8th, there were 4 adults and 2 children (Oscar & Ana Colon, Joe and his family).

The Colon's want to continue to have fellowship with the Apostle's doctrine, so we met 3 Sundays in Juncos, in the new home of the Colon's. They were off island three weeks so we did not meet the last Sunday of Feb. There were the same 6 present, except the 22nd, when we had 7.

I passed out literature in the Sports Complex of Gurabo (while my sons where playing soccer). It was an invitation to study the Bible with the church of Christ in Dorado (about 45 minutes away).

During the month I copied and folded tracts to distribute in Gurabo, Caguas, Dorado and Juncos, which we did.

On Wed. the 18th I picked up the Colon's for the Bible study in Dorado.

I sent text messages inviting people to study with the church of Christ.

Your brother,

Jose Carrasquillo
