

REPORT JULY - AUGUST 2010.

Dear Brethren,

I greet you all in the name of our Lord. I hope you are doing well.

Thank you to Open Hearts Helping Hands and all of you who contribute towards the needy brethren for providing \$17000 for food. Food has been bought and distributed. I forwarded some of the photos taken during distribution period

Buying and transporting,

A bag is \$30. I paid \$15000 for 500 bags. I got extra 10 bags as a discount. The miller was so kind to me and gave me all 510 bags before I paid all his money. Money was wired in three separate times of \$5900 at a time. The same miller got me a 30 ton truck at \$1000 to deliver mealie meal to a central point. From the central point we used my truck. Jabulani Sibanda, Solomon, Iswrael Lunga, Collet Ncube and many other brethren worked tirelessly in preaching and loading and off loading the delivery.

July 25 onwards.

25 July brought 10 preachers to attend Bob Buchanon's classes 26 - 30 July. Classes were extremely good and helpful to any one who desires to teach the truth.

3 August visited the San brethren who had invited others to hear the gospel. Over two hundred people attended. 30 Baptisms. This may invite another church to start since some of them came from a distance of 16 km away.

4 August Majabani and Mashula came together and 3 baptisms- Bob ends his trip.

6-8 August Dolo Church Gospel meeting- Mberengwa District. More than 500 people attended. I preached on the 7th as per their plan, 2 were baptised.

Support.

I got all your support plus \$200 from Dowlen Rd Brethren. I thank you all and love you all. My family is greeting you.

I am going to meet Ellen Baize in South Africa and bring her to Zimbabwe. I should be back next Wednesday.

Thank you,

Mountbatten Brewer.
