

CARLOS CAPELLI REPORT

May 13, 2006

Dear brethren,

"I will sing aloud of thy mercy in the morning: for thou hast been my defense and refuge in the day of my trouble... will I sing: for God is my defense, and the God of my mercy." Psalm 59:16-17 -- "And God shall wipe away all tears from their eyes; and there shall be no more death, neither sorrow, nor crying, neither shall there be any more pain: for the former things are passed away". Revelation 21:4.

As you know my wife left this life April 6th, and the day following April 7th, we bury her. Many people accompanied us in the trip to the sepulcher, sign of the appreciation that she knew to conquer during her life, Celeste was a very humble and very kind woman and she was very appreciated by all the people that met her. I preach a good sermon about the resurrection, and also on the exemplary life as a Christian that Celeste lived, always faithful to the Word of the Lord. I also preach about the 38 years of our good marriage, she was a good wife and a good mother. I wrote in the stone on her tomb: "Celeste's body, a great Christian woman is in this place." All the present receive a strong comfort to the knowledge for the Word of the Lord that Celeste went to her eternal home, beside the Jesus.

My daughters and I are well, we feel her absence a lot, but with the help of God, little by little we will have to learn how to live without her physical presence.

A GOOD RESULT OF THE OF RADIO PROGRAM. On Saturday May 6th, I was invited to preach in a church Pentecostal of José C. Paz area. These people are listeners of my radio program: "With the Open Bible" I present a sermon of 45 minutes, titled: "The Importance of the Truth" These texts were presented. John, 8:31-32 - John, 17:3 - Acts 17:11 - Titus 1:14 - John 17:17 - 8:32 - 1 Peter 1:22 - Rom, 10:17 - James 1:21 - Mark 16:15-16 - John, 12:48
All the present listened my sermon with a lot of attention. When the service concludes, all greeted me with a friendly attitude, some people encouraged me to return to preach the word of God, but I said: "If you invite me, with pleasure I will return..".

The true gospel had been sowed in those people, if they love to God and they have good heart, it will have been them to glorify to the Lord. The "preacher" Mr. Anibal Bocalandro has told me in two opportunities and he said me that he wants to study the Bible with me, because there are things that he needs to know more. I hope he be sincere and look for to know the truth, to save his soul, John 17:3.

Most of people have necessity of the spiritual thing, regrettably they look for to satisfy that necessity for missed road and men's doctrines, the god of this century has reaped the eyes of the understandings of many so that it doesn't glow them the light of the gospel. 2 Cor, 4:3. I want to preach the gospel to everybody who wants to listen to it, to sow and to sow, God will give the growth at its time. You with your support have great part in this work of saving souls for the Lord. In the day of the trial each one will receive their recompense according to their facts. The brother and sister of Jose C. Paz congregation are well, but sad for the departure of Celeste of this life.

It is truly a privilege to work for the Lord. We are also thankful for the many blessings He provides so that we can labor for Him.
